

INVITATION TO BID

Sealed Bids will be received by the City and County of Denver, acting by and through its Board of Water Commissioners (OWNER), at 1600 West 12th Avenue, Denver, Colorado 80204, in Engineering Conference Room 308 until 2:00 p.m., local time, Thursday, March 18, 2010, to furnish and install the South Boulder Diversion Canal Access Bridge, Contract 12723A. At said place and time, all bids that have been duly received will be publicly opened and read aloud.

The Work to be done, for which Bids are invited, shall consist of furnishing and installing the South Boulder Diversion Canal Access Bridge, Jefferson County, Colorado.

The Contract will be awarded on an "all or none" basis. Refer to the Drawings for a more specific description of Work.

All Bids must be in accordance with the Contract Documents on file with Denver Water's Engineering Division, 1600 West 12th Avenue, Denver, Colorado 80204.

Copies of Contract Documents for use in preparing Bids may be obtained from Denver Water (telephone number (303) 628-6000, Ext. 5141 at the address stipulated above. Drawings and Specification charges shall be as stipulated below. No refunds will be made. Please call prior to mailing checks for copies of Contract Documents. **Denver Water has implemented an Access Control - Identification Badge (ID) program for all Denver Water employees, contractors, vendors and visitors at all Denver Water facilities. All Contractors, vendors, and visitors are required to sign-in and receive a Denver Water Non-Photo "Visitor" ID badge at the appropriate Security Station. Access expires daily and all contractors, vendors, and visitors must return the badge to Denver Water Security before departing the facility.**

Prequalification of all Bidders/General Contractors will be required specifically for this Project. Prequalification forms for this Project are obtainable from Denver Water's website (<http://www.denverwater.org/DoingBusinesswithUs/RequestsforProposals/BidProposalsEngineering/>). All required prequalification forms must be received by the Engineering Administration Department, (Mail Code 530), Denver Water, 1600 West 12th Avenue, Denver, CO 80204, no later than Thursday, March 9, 2010. Bids received from Bidders, including all parties to a joint venture, who are not prequalified will not be opened. Bids which indicate the use of manufactured items not in compliance with the prequalification requirements thereof, may result in rejection of the Bid. For questions regarding the prequalification process contact the Engineering Administration Department at (303) 628-6000, Ext. 5141.

The jobsite tour and prebid conference is scheduled for 9:00 a.m., local time, Tuesday, March 9, 2010, at Ralston Reservoir, registration for the prebid conference and job site tour are required. Contact Greg Gulley at (303) 628-6309. Attendance **is** a requirement for submission of a Bid.

Bidders shall comply with the provisions of the Board's Small/Minority/Women Business Enterprises (SMWBEs) Program set forth in the Contract Documents. **Goals for this project have been established as 3% participation of the total bid amount.** It is the intent of the Program that qualified Contractors, Subcontractors, or Suppliers be utilized to the fullest extent possible, to perform work or provide the supplies and services required by the Drawings and Specifications. Bidders are encouraged to identify as many aspects of the work as possible to enhance the utilization of Minority and Women Business Enterprises (MWBEs). **Bidders are required to have the entire Statement of Intent completed in full, at the time of the bid opening.**
