

Streamline your bill-paying process with Denver Water's Automatic Payment Plan (APP)

Pay your water/sewer bill automatically • Save postage • Never pay late

To enroll in this free, efficient and secure way to pay your bill, simply fill out the form below and mail it along with a voided check or savings deposit slip. Please do not mail this form with your payment or in a payment envelope. You also can complete this form online. Go to denverwater.org and click on billing.

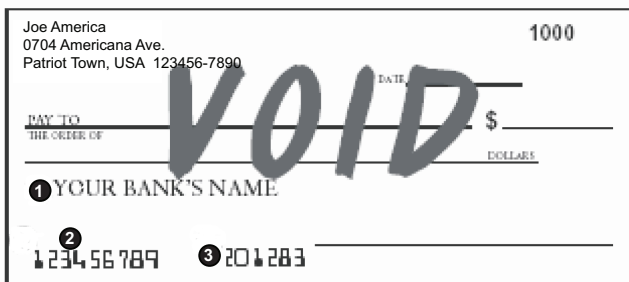

You'll continue to receive your paper bill in the mail that tells you the amount due. Your automatic deductions should begin with your *next* billing statement (after receiving your authorization). Just in case, keep paying your bill until your statement reflects that you are set up for automatic payments. After that, you'll never need to send another check. It's that easy!
