

To be completed by Denver Water

Denver Water's review of these plans relates only to Denver Water requirements, and does not include a full analysis of: soil conditions, support or load factors, or any other matters. Any modification of these plans must be resubmitted to Denver Water for review prior to construction. The Professional Engineer, Contractors, and Owners designing and constructing this proposed water distribution system shall be solely responsible for the adequacy of the design, installation, and materials utilized in this water distribution system for any specific site location.
