CONSULTING AGREEMENT – GENERAL CONSULTANT SERVICES

Consultant Name: **COMPANY NAME**

THIS CONSULTING AGREEMENT – GENERAL CONSULTANT SERVICES (“Agreement”) is made and entered into between the CITY AND COUNTY OF DENVER, acting by and through its BOARD OF WATER COMMISSIONERS, whose address is 1600 W. 12th Avenue, Denver, Colorado 80204 (the “Board”), and **Company Name** (“Consultant”), whose address is **Company Address**.

1. Scope of Work. Consultant agrees to provide work to the Board in accordance with a Task Order Agreement substantially in the form attached hereto as **Exhibit A** (the “Work”).

2. Time of Commencement and Completion of Work. The term of this Agreement shall be three (3) years. The parties, however, may agree to extend this Agreement for two (2) additional one-year terms. Consultant and the Board’s Representative must agree upon any extensions of this Agreement in writing. For purposes of this Agreement, the Chief Engineering Officer or the Chief External Affairs Officer or his/her designee shall be the Board’s Representative to accept or give any request, approval, notice or the like.

3. Consultant Responsibility. The Board shall not oversee the Work of the Consultant or instruct the Consultant on how to perform the Work. Consultant shall be responsible for the professional quality, technical accuracy, timely completion and coordination of all studies, reports and other Work rendered. Consultant is responsible for providing his or her own training and tools for performance of the Work. Without additional compensation, and without limiting the Board’s remedies, Consultant shall promptly remedy and correct any errors, omissions or other deficiencies in the Work. Consultant represents that all Work performed under this Agreement shall be performed in accordance with the standard of care of Consultant’s profession prevailing in Colorado.

4. Confidentiality of Information. Except in response to a valid governmental demand or judicial order, the Consultant shall retain in strictest confidence all information furnished by the Board and the results of any reports or studies conducted as a result of this Agreement, along with all supporting work papers and any other substantiating documents. The Consultant shall not disclose such information to others without the prior written consent of the Board’s Representative.

5. Ownership of Work Product.

- a. All printed material, original works of authorship, electronic documents and intellectual property produced, invented, reduced to practice, or created as a result of Work performed under this Agreement (the “Creations”) (with the exception of any intellectual property rights contained therein, owned or created by the Consultant prior to the effective date of this Agreement (“Prior Works”)) shall be the sole property of the Board and may not be used, sold, licensed or disposed of in any manner without prior written approval of the Board. To the maximum extent permitted by applicable law, all Creations shall be deemed works made for hire under the United States copyright laws, and all right, title, and interest in and to such work product shall vest automatically in the Board. Consultant hereby assigns and irrevocably agrees to assign in the future (when any such Creations are first reduced to practice or first fixed in a tangible medium, as applicable) to the Board all right, title and interest in and to any and all such Creations, including, without limitation, all related intellectual property rights (as to copyright, to the extent such Creations are held not to be works made for hire under applicable law). All such Creations shall be

turned over to the Board upon completion of the Work. For custom developed software, the Board shall be provided a copy of the source code.

- b. Consultant agrees not to use, and hereby represents that Consultant has not used, in the course of the performance of the Work any Prior Works, unless such Prior Works are first disclosed in writing to the Board, and the Board consents in writing to the use of the Prior Works, and Consultant grants a nonexclusive, royalty-free, irrevocable, perpetual, worldwide license (with rights to sublicense through multiple tiers of sublicensees) to make, have made, modify, create derivative works of, copy, publicly display, use, sell and distribute such Prior Works as incorporated in the Work. Consultant further agrees that it shall not use or incorporate any third party works, third party inventions or open source software in the Work without prior disclosure to the Board, without provision of a valid license providing the Board with all rights necessary to use such as used or incorporated in the Work, and without approval from the Board.
- c. Consultant represents and warrants that all studies, reports and other Work performed under this Agreement are original or a license to the same has been obtained for the Board as required in this section, will perform for the purpose intended, contain no infringing intellectual property, and contain no material defects, and, if software, contain no malware or undisclosed means of access. The Consultant may retain one copy of all documents prepared under this Agreement. Any reuse of the Consultant's work product for any use other than as contemplated by this Agreement shall be at the Board's sole risk.

6. Compensation. In consideration of performance of the Work by Consultant, the Board shall compensate Consultant as described in each Task Order Agreement to be entered into by the parties subsequent to this Agreement. The total compensation under each Task Order Agreement is not expected to exceed \$100,000.00 with the possible exception of construction-related assignments, and each Task Order Agreement shall comply with the Board's Policies and Procedures with regard to spending authority. Total compensation to be paid for each Task Order shall be negotiated and shall appear on each executed Task Order Agreement using the Consultant's Price Proposal (**Exhibit B**) incorporated by reference herein. (Exhibit B shall include any rate escalation for the term of this Agreement.)

7. Invoices. If the compensation described in a Task Order Agreement is based on an hourly rate, the Consultant shall provide invoices each month for Work accomplished through the last day of the preceding month. For compensation based on lump sum or payment for deliverables, the Consultant shall provide an invoice upon completion of the Work or the deliverable product. If agreed upon by the Board's Representative, the Consultant may provide an invoice for the percent of Work completed or based upon milestone completion as determined by the Board's Representative for lump sum agreements. Consultant must submit documentation supporting the charges in the invoice, which must be consistent with the Task Order budget, and must include both the Agreement number and the Task Order number on each invoice. Consultant agrees to provide all Agreement invoices per the standard invoice template provided to the Consultant by the Board at the time of Task Order Agreement negotiation.

8. Payment. Payments shall be based upon Consultant's verified progress in completing the Work. Unless Consultant has not properly performed the Work, invoices will be paid within thirty (30) days of receipt. The Board shall have the right to refuse to pay the portion of an invoice that is inconsistent with this Agreement. The Board may delay payment for the portion of Consultant's invoice that is in dispute until it can verify the accuracy of the invoice, obtain releases or waivers with respect to Work covered in the invoice (and with respect to Colo. Rev. Stat. Article 26 of Title 38 if applicable), or resolve a dispute with Consultant regarding an invoice. Checks shall be made payable to the trade or business of Consultant. According to this paragraph, the Board shall pay all undisputed portions of an invoice, but may withhold payment for disputed portions of an invoice. The Board will not issue payments unless Consultant has current insurance coverage in accordance with Paragraph 14.

9. Board's Audit Rights. The Board shall have the right to audit the account books and other records of Consultant related to the Work at any time during the period of this Agreement and for two (2) years after the completion of the Work. Consultant shall retain all such account books and records for at least two (2) years after the completion of the Work. Consultant shall refund to the Board any charges determined by the Board's audit to be inconsistent with this Agreement.

10. Changes in Work. The Board shall have the right to order additions, deletions, or changes in the Work at any time, so long as such changes are within the general scope of Work covered by the Task Order Agreement. Requests for material changes in the Work may be made by the Board's Representative orally or in writing; however, oral requests shall be confirmed by a written request within ten (10) business days after the oral request, and changes requiring additional compensation may require a written amendment to the Task Order Agreement and Board approval. If the Board directs the Consultant to proceed with a material change, the Consultant shall be paid for the change as agreed to by the parties.

11. Independent Contractor. Nothing herein shall be construed to make Consultant an agent or employee of the Board for any purpose. Consultant shall in all respects be an independent contractor of the Board in its performance of the Work. Consultant and its employees and subcontractors shall in no way represent themselves to third parties as agents or employees of the Board in performance of the Work. Nothing in this Agreement shall require Consultant to work exclusively for the Board during its term.

12. NO UNEMPLOYMENT INSURANCE OR WORKERS' COMPENSATION BENEFITS. CONSULTANT IS NOT ENTITLED TO UNEMPLOYMENT INSURANCE OR WORKERS' COMPENSATION BENEFITS AS A RESULT OF PERFORMANCE OF THE WORK FOR THE BOARD. CONSULTANT IS REQUIRED TO PROVIDE WORKERS' COMPENSATION AND UNEMPLOYMENT INSURANCE BENEFITS FOR ITS EMPLOYEES OR SUBCONTRACTORS, OR MUST REQUIRE ITS SUBCONTRACTORS TO PROVIDE THE SAME FOR THEIR EMPLOYEES.

13. PAYMENT OF TAXES. CONSULTANT IS SOLELY LIABLE FOR ANY FEDERAL AND STATE INCOME AND WITHHOLDING TAXES, UNEMPLOYMENT TAXES, FICA TAXES AND WORKERS' COMPENSATION PAYMENTS AND PREMIUMS APPLICABLE TO THIS AGREEMENT OR ANY WORK PROVIDED. CONSULTANT SHALL INDEMNIFY THE BOARD FOR ANY LIABILITY RESULTING FROM NONPAYMENT OF SUCH TAXES AND SUMS.

14. INSURANCE.

PLEASE READ THIS CAREFULLY. CONSULTANT WILL NOT BE PAID UNLESS THE FOLLOWING INSURANCE REQUIREMENTS ARE MET.

Consultant shall maintain the following insurance in full force and effect during the full term of this Agreement. Consultant shall provide to the Board certificates of insurance (and renewals thereof) demonstrating that the following insurance requirements have been met.

- a. Commercial General Liability Insurance.
Commercial general liability insurance with a limit of \$1,000,000 per occurrence and \$2,000,000 aggregate. Such insurance shall include the City and County of Denver, acting by and through its Board of Water Commissioners, as additional insured and shall be primary and non-contributing with respect to any insurance or self-insurance program of the Board.
- b. Automobile Liability Insurance.
Automobile liability insurance with a limit of \$1,000,000 per occurrence for owned, non-owned and hired vehicles used in the performance of Work under this Agreement. Selection of this option verifies that the **Consultant will be using a vehicle that is covered by Consultant's automobile insurance policies to perform the Work.**
- c. Professional Liability Insurance.
Professional liability insurance with a limit of \$2,000,000 per claim and in the aggregate covering all licensed professionals performing Work under this Agreement.

- e. Other Requirements.
- 1) Consultant's insurers shall maintain an A.M. Best rating of A-, VII or better.
 - 2) All self-insured retentions or deductibles must be declared and acceptable to the Board. The Board may, in its sole discretion, determine that Consultant does not have the required insurance because of the amount or nature of the deductible or retention.
 - 3) Thirty (30) days' advance written notice of cancellation shall be provided to the Board, except for ten (10) days' advance written notice for cancellation due to non-payment of premium.
- f. Evidence of Insurance.
Consultant shall allow inspection of insurance policies at a location in the Denver Metro area upon request of the Board and in redacted form if necessary to protect confidential information. Upon Consultant's written request, the Board may request its contractors to provide additional insured status to Consultants for Commercial General Liability Insurance. Consultant is responsible to request from Board verification of additional insured status, and the Board shall incur no liability to Consultant for the failure of the Board's contractor to comply with its requests.
- g. Alternative Types of Insurance.
The Board reserves the discretion to accept alternative types of insurance if the Board deems such alternatives to be sufficiently protective of its interests.

15. Computer Security. Consultant acknowledges that he, she or an employee of Consultant may use the Board's computer or telecommunication resources to fulfill the terms of this Agreement. Consultant agrees that he, she or any of Consultant's employees who are required to use such resources will abide by the Board's policies and guidelines governing the use of these resources and will comply with the provisions of Exhibit C, entitled "Use of Denver Water Board Computer and Telecommunications Resources," incorporated by reference.

16. Compliance with Laws. In performing this Agreement, Consultant shall comply with all applicable laws, rules, and regulations, including, but not limited to, the Colorado Workers' Compensation Act and federal and state tax laws. **CONSULTANT IS NOT ENTITLED TO UNEMPLOYMENT INSURANCE OR WORKERS' COMPENSATION BENEFITS. CONSULTANT IS SOLELY LIABLE TO PAY FEDERAL AND STATE INCOME AND WITHHOLDING TAXES ON ANY MONEYS EARNED PURSUANT TO THIS AGREEMENT.** The Consultant certifies that it has complied, and during the term of this Agreement will continue to comply, with the Immigration Reform and Control Act of 1986.

The signature of Consultant on this Agreement: (1) certifies that Consultant is not a natural person unlawfully present in the United States; and (2) also certifies the statements below *if this is a public contract for services as defined in Colo. Rev. Stat. § 8-17.5-101, et seq., and Consultant utilizes subcontractors or employees in Consultant's business.*

- a. Consultant shall not:
 - 1) Knowingly employ or contract with an illegal alien to perform work under this Agreement; or
 - 2) Enter into a contract with a subcontractor that fails to certify to Consultant that the subcontractor shall not knowingly employ or contract with an illegal alien to perform work under this Agreement.
- b. Consultant has confirmed the employment eligibility of all employees who are newly hired for employment to perform work under this Agreement through participation in either the e-verify program or the department program (as defined in Colo. Rev. Stat. § 8-17.5-101, et seq.). Consultant may not use either the e-verify program or the department program procedures to undertake pre-employment screening of job applicants while this Agreement is being performed.
- c. If Consultant obtains actual knowledge that a subcontractor performing work under this Agreement knowingly employs or contracts with an illegal alien, Consultant shall:
 - 1) Notify the subcontractor and the Board within three days that Consultant has actual knowledge that the subcontractor is employing or contracting with an illegal alien; and
 - 2) Terminate the subcontract with the subcontractor if within three days of receiving the notice required pursuant to sub-subparagraph 1) of this subparagraph the subcontractor does not stop employing or contracting with the illegal alien; except that Consultant shall not terminate the contract with the subcontractor if during such three days the subcontractor provides information to establish that the subcontractor has not knowingly employed or contracted with an illegal alien.
- d. Consultant shall comply with any reasonable request by the Department of Labor and Employment made in the course of an investigation that the Department is undertaking pursuant to state law.

- e. Consultant acknowledges that in the event Consultant violates any of the provisions of the foregoing subparagraphs a – d, the Board may terminate this Agreement for breach of contract. If this Agreement is so terminated, Consultant shall be liable for actual and consequential damages to the Board.

17. Personnel Screening.

Each Task Order will select from the following options.

a. Operating a Denver Water Vehicle.

Option A: At least five (5) working days before assigning an employee or agent to operate a Board vehicle under this Agreement, the Consultant will submit the employee's or agent's name to the Board's Representative and certify on the Board-provided Certification of Personnel Screening form that the employee or agent has a valid Colorado driver's license and a satisfactory driving record, defined as having no more than six (6) points on his/her driving record in the three (3) years prior to the assignment. The Board reserves the right to direct the Consultant to assign another employee or agent, meeting the requirements of this paragraph, to perform the work if the Board determines during the term of the Agreement that the assigned employee or agent no longer has a valid Colorado driver's license or satisfactory driving record.

Option B: As a precondition to entering this Agreement, the Board determined that the Consultant has a valid Colorado driver's license and satisfactory driving record, defined as having no more than six (6) points on his/her driving record in the three (3) years prior to the assignment. The Board reserves the right to terminate this Agreement if it determines during the term of the Agreement that the Consultant no longer has a valid Colorado driver's license or satisfactory driving record.

b. Work Involving Security Concerns.

Option A: If any employee or agent of the Consultant will perform work under circumstances that raise security concerns (such as entering private residences on Denver Water's behalf, or performing work that gives access to critical facilities or operations or has the potential to cause serious damage to critical Denver Water facilities or operations, or to have access to any confidential, financial, customer, or security-related information maintained by Denver Water, proprietary computer programs or software, or servers):

At least five (5) working days before assigning an employee or agent to perform duties under this Agreement that require the employee or agent to work under circumstances presenting security concerns or to have access to the Board's sensitive information, proprietary computer programs, software or servers, the Consultant will submit the employee's or agent's name to the Board's Representative and certify on the Board-provided Certification of Personnel Screening form that no more than one (1) year prior to the assignment it performed a background check on the employee or agent, including a review of criminal history, and determined that the employee or agent does not pose a risk to persons or property. Consultant's determination should be based on guidance provided by the U.S. Equal Employment Opportunity Commission regarding the use of arrest and conviction history in employment decisions, which requires a weighing of (1) the nature and gravity of the offense or conduct, (2) the time that has passed since the offense, conduct or the employee's completion of any

sentence given as a result of the offense, and (3) the nature of the job held or sought. Background checks must include a Colorado Bureau of Investigation (CBI) Criminal History Check, and, if the employee or agent has lived outside the State of Colorado or the United States during the last five (5) years, a criminal history check from each state or country of residence. For employees or agents who will have access to the Board's financial records and/or accounting processes, including purchasing, payables, receivables, and treasury or cash management, Consultant also will conduct a credit history check on the employee or agent and certify on the Board-provided Certification of Personnel Screening form that Consultant has determined that the employee or agent does not pose a risk to the Board. The Board reserves the right to direct the Consultant to assign another employee or agent, meeting the requirements of this paragraph, to perform the work if the Board has reason to believe that during the term of the Agreement the assigned employee or agent engaged in criminal activity or was involved in financial improprieties, to be determined by the Board in its sole discretion.

Option B: As a precondition to entering this Agreement, the Consultant gave the Board consent to conduct a background check on the Consultant, including a Colorado Bureau of Investigation (CBI) Criminal History Check, and, if the Consultant has lived outside the State of Colorado or the United States during the last five (5) years, consent to obtain a criminal history check from each state or country of residence. If Consultant will have access to the Board's financial records and/or accounting processes, including purchasing, payables, receivables, and treasury or cash management, Consultant also consented to a credit history check. The Board has reviewed and approved the results of the background check and, if applicable, the credit history check. The Board reserves the right to terminate this Agreement if it has reason to believe that during the term of the Agreement the Consultant engaged in criminal activity or was involved in financial improprieties, to be determined by the Board in its sole discretion.

c. Safety-Sensitive Duties.

Option A: At least five (5) working days before assigning an employee or agent to perform safety-sensitive Work under this Agreement, the Consultant will submit the employee's or agent's name to the Board's Representative and certify on the Board-provided Certification of Personnel Screening form that no more than one (1) year prior to the assignment it performed a background check on the employee or agent, including a review of criminal history, and determined that the employee or agent does not pose a risk to persons or property. Consultant's determination should be based on guidance provided by the U.S. Equal Employment Opportunity Commission regarding the use of arrest and conviction history in employment decisions, which requires a weighing of (1) the nature and gravity of the offense or conduct, (2) the time that has passed since the offense, conduct or the employee's completion of any sentence given as a result of the offense, and (3) the nature of the job held or sought. Background checks must include a Colorado Bureau of Investigation (CBI) Criminal History Check, and, if the employee or agent has lived outside the State of Colorado or the United States during the last five (5) years, a criminal history check from each state or country of residence. The Consultant also must certify on the Board-provided Certification of Personnel Screening form that no more than one (1) month before the

assignment of an employee or agent to perform safety-sensitive work under this Agreement, the employee or agent passed a drug and alcohol screening performed by one of the Board-recommended testing facilities on the Board-provided list titled Occupational Medicine clinics, using a Rapid Screen test (negative result only accepted), or by a DOT-certified laboratory and using the DOT 5 panel drug test. The Board reserves the right to direct the Consultant to assign another employee or agent, meeting the requirements of this paragraph, to perform the work if the Board has reason to believe that during the term of the Agreement the assigned employee or agent engaged in criminal activity or used drugs or alcohol in a manner that could present a real or imminent threat to public health or safety, to be determined by the Board in its sole discretion.

Option B: As a precondition to entering this Agreement, the Consultant gave consent for the Board to conduct a background check on the Consultant, including a Colorado Bureau of Investigation (CBI) Criminal History Check, and, if the Consultant has lived outside the State of Colorado or the United States during the last five (5) years, to submit to a criminal background check from each state or country of residence. The Consultant also provided the results of a drug and alcohol screening performed within one (1) month of submittal by one of the Board-recommended testing facilities on the Board-provided list titled Occupational Medicine clinics, using a Rapid Screen test (negative result only accepted), or by a DOT-certified laboratory and using the DOT 5 panel drug test. The Board has reviewed and approved the results of the background check and drug and alcohol screening. The Board reserves the right to terminate this Agreement if it has reason to believe that during the term of the Agreement the Consultant engaged in criminal activity or used drugs or alcohol in a manner that could present a real or imminent threat to public health or safety, to be determined by the Board in its sole discretion.

18. Safety and Security.

a. Safety and Occupational Health.

The Consultant shall follow reasonable safety and occupational health measures in performance of this contract. The Consultant shall comply with all federal, state, and local laws applicable to safety and occupational health. Further, the Consultant must comply with safety and occupational health standards, specifications, reporting and any other relevant requirements applicable to employees at the Board's jobsite.

b. Security.

- 1) The Consultant will follow all of the Board's security procedures.
- 2) The Consultant is required to check in with the Board's Security personnel at each location, where applicable.
- 3) The Consultant is required to have and/or wear appropriate identification at all times while on the Board's premises.
- 4) The Consultant will notify the Board's Security in advance with the name of the delivery person and the approximate time of arrival.

19. Nondiscrimination. The Consultant expressly agrees not to discriminate against any employee, applicant for employment, or potential subcontractor or supplier because of race, color, religion, age, national origin, gender, sexual orientation, military

status, marital status, or disability. The Consultant shall comply with all applicable state and federal laws with regard to equal employment opportunity.

20. Small Business Enterprises. The Board recognizes the desirability, need and importance to the City and County of Denver of encouraging the development of Small Business Enterprises (SBEs). The Consultant agrees to make a good faith effort to involve SBEs in the Work if and when the opportunity arises.

21. Liability. The Consultant agrees to indemnify, hold harmless and defend the Board against any liability, damages, costs, expenses, claims, injuries and losses of whatever nature arising in any way out of this Agreement, including but not limited to any expenses incurred by the Board as a result of damages to the Board's property and any claims that the Creations, Prior Works or the Work infringe the intellectual property rights of a third party, to the extent caused by any negligent act or omission or willful misconduct of the Consultant or the Consultant's officers, subcontractors, agents, or employees.

22. Acceptance Not Waiver. The Board's approval of studies, drawings, designs, plans, specifications, reports, computer programs and other work or materials shall not in any way relieve Consultant of responsibility for the technical accuracy of the Work. The Board's approval or acceptance of, or payment for, any Work shall not be construed to operate as a waiver of any rights under this Agreement or of any cause of action arising out of the performance of this Agreement.

23. Termination or Suspension. The Board reserves the exclusive right to terminate or suspend all or any portion of the Work by giving fourteen (14) days' written notice to the Consultant. If any portion of the Work shall be terminated or suspended, the Board shall pay the Consultant equitably for all Work properly performed pursuant to this Agreement. If the Work is suspended and the Consultant is not given an order to resume work within sixty (60) days from the effective date of the suspension, this Agreement will be considered terminated. Upon termination, the Consultant shall immediately deliver to the Board any documents then in existence that have been prepared by the Consultant pursuant to this Agreement and that have been paid for by the Board.

24. Default. Every term and condition of this Agreement shall be deemed to be a material element of this Agreement. In the event either party should fail or refuse to perform according to the material terms of this Agreement, such party may be declared in default by the other party by a written notice.

25. Remedies. In the event a party has been declared in default, such defaulting party shall be allowed a period of fifteen (15) days within which to correct, or commence correcting, the default. In the event that the default has not been corrected or begun to be corrected, or the defaulting party has ceased to pursue the correction with due diligence, the party declaring default may elect to (a) terminate the Agreement and seek damages; (b) treat the Agreement as continuing and require specific performance; or (c) avail itself of any other remedy at law or equity. In the event Consultant fails or neglects to perform the Work in accordance with this Agreement, the Board may elect to correct such deficiencies and charge Consultant for the full cost of the corrections.

26. Force Majeure. The parties shall not be responsible for any failure or delay in the performance of any obligations under this Agreement caused by acts of God, flood, fire, war or public enemy or any circumstances beyond the reasonable control of either party. Any declared force majeure that remains in effect for longer than ninety (90) days entitles either party to unilaterally terminate this Agreement.

27. Assignment and Subcontractors. Consultant shall not assign to any other person or firm the performance of any of the Work without the prior written approval of the Board's Representative. All Work under this Agreement shall be performed under Consultant's direct supervision and control. This Agreement shall bind and inure to the benefit of the parties and their respective successors and assigns. This Agreement is intended to benefit only the parties, and neither subcontractors nor suppliers of Consultant nor any other person or entity is intended by the parties to be a third-party beneficiary of this Agreement.

28. Governing Law and Venue. This Agreement shall be deemed performable in the City and County of Denver, notwithstanding that the parties may find it necessary to take some action under this Agreement outside the City and County. Venue for any dispute resulting in litigation shall be in the District Court in and for the City and County of Denver. This Agreement shall be governed by and construed under the laws of the State of Colorado.

29. Notice. All notices required to be given under this Agreement shall be in writing and shall be deemed to have been duly given (a) when delivered personally to the other party; or (b) seven (7) days after posting in the United States mail, first-class postage prepaid, properly addressed as follows; or (c) when sent by facsimile transmission and receipt is confirmed by return facsimile transmission:

If to the Consultant:

Company Name and Address

If to the Board:

Robert J. Mahoney, Chief Engineering Officer
Denver Water Department
1600 West 12th Avenue
Denver, Colorado 80204

or such other persons or addresses as the parties may have designated in writing.

30. Charter of the City and County of Denver. This Agreement is made under and conformable to Article X of the Charter of the City and County of Denver, which controls the operation of the Denver Municipal Water System. Insofar as applicable, the Charter provisions are incorporated by this reference and shall supersede any apparently conflicting provisions otherwise contained in this Agreement.

31. Colorado Governmental Immunity Act. The parties to this Agreement understand and agree that the Board is relying upon and has not waived any rights, immunities and protections provided by the Colorado Governmental Immunity Act, C.R.S. § 24-10-101, et seq., as it may be amended from time to time.

32. Entire Agreement. This Agreement constitutes the entire agreement between the Board and Consultant and replaces all prior written or oral agreements and understandings. It may be altered, amended or repealed only by a duly executed written instrument.

33. Effective Date. This Agreement shall become effective on the date it is signed by the appropriate representative of the Board.

34. Responsibility of Consultant:

a. Reliance upon Information Provided by Others.

If Consultant's performance of the Work hereunder requires Consultant to rely on information provided by other parties (except Consultant's subcontractors), Consultant shall not independently verify the validity, completeness, or accuracy of such information unless otherwise expressly engaged to do so in writing by the Board.

b. Consultant Personnel at Construction Site, if applicable.

The presence or duties of Consultant's personnel at a construction site, whether as onsite representatives or otherwise, do not make Consultant or Consultant's personnel in any way responsible for those duties that belong to the Board and/or the construction contractors or other entities, and do not relieve the construction contractors or any other entity of their obligations, duties, and responsibilities including, but not limited to, all construction methods, means, techniques, sequences, and procedures necessary for coordinating and completing all portions of the construction work in accordance with the

construction Contract Documents and any health or safety precautions required by such construction work.

Consultant and Consultant's personnel have no authority to exercise any control over any construction contractor or other entity or their employees in connection with their work or any health or safety precautions and have no duty for inspection, noting, observing, correcting, or reporting on health or safety deficiencies of the construction contractor(s) or other entity or any other persons at the site except Consultant's own personnel.

The presence of Consultant's personnel at a construction site is for the purpose of providing to the Board a greater degree of confidence that the completed construction work will conform generally to the construction documents and that the integrity of the design concept as reflected in the construction documents has been implemented and preserved by the construction contractor(s). Consultant neither guarantees the performance of the construction contractor(s) nor assumes responsibility for the failure of the construction contractor(s) to perform work in accordance with construction documents.

For this Agreement only, construction sites include places of manufacture for materials incorporated into the construction work, and construction contractors include manufacturers of materials incorporated into the construction work.

c. Construction Progress Payments, if applicable.

Recommendations by Consultant to the Board for periodic construction progress payments to the construction contractor(s) will be based on Consultant's knowledge, information, and belief from selective sampling that the work has progressed to the point indicated. Such recommendations do not represent that continuous or detailed examinations have been made by Consultant to ascertain that the construction contractor(s) have completed the work in exact accordance with the construction documents; that the final work will be acceptable in all respects; that Consultant has made an examination to ascertain how or for what purpose the construction contractor(s) have used the moneys paid; that title to any of the work, materials, or equipment has passed to the Board free and clear of liens, claims, security interests, or encumbrances; or that there are no other matters at issue between the Board and the construction contractors that affect the amount that should be paid.

d. Submittals, if applicable.

Review or "approval" of submittals is intended solely to note conformance with expressed design elements and specifications, not to determine the accuracy or completeness of details like dimensions or quantities, which are the general contractor's responsibility. Further, review or approval is not performed to determine the appropriateness of the design, which is the design engineer's responsibility. Observations and reviews are performed by the Consultant during the construction phase of the project to discover readily apparent deviations from the plans and specifications. Managing requests for information is not to review or interpret the project's design, but to act as a conduit for information between the general contractors, the Board and the design engineer.

e. Record Drawings, if applicable.

Record drawings, if required, will be prepared, in part, on the basis of information compiled and furnished by others, and may not always represent the exact location, type or various components, or exact manner in which the project was finally constructed. Consultant is not responsible for any errors or omissions in the information from others that are incorporated into the record drawings.

THEREFORE, the parties have executed this Agreement. This Agreement must have the signature of an authorized person from Consultant on both original copies.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on the "Name" line to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

Note. If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
3. I am a U.S. citizen or other U.S. person (defined below).

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions on page 4.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

EXHIBIT D

REIMBURSEMENT AND ADVANCES FOR DENVER WATER BUSINESS EXPENSES

Out-of-Office Assignments

- Reimbursements for expenses related to remote or out-of-office assignments shall be made as follows:

Reimbursement Based on Length of Work Assignments

Duration of Assignment	Reimbursement Policy	Taxable Status
<ul style="list-style-type: none"> • Less than 30 days 	<ul style="list-style-type: none"> • 100% (M&IE) + DW paid Lodging or Chief discretion for: • DW provided lodging and food 	<ul style="list-style-type: none"> • Per diem paid up to maximum federal rate is not taxable

- Stays longer than 30 days require a signed length of work assignment location letter.
- Consultant is responsible for all personal tax liabilities, regardless of length of assignment.
- Additional per diem amounts will not be paid for travel to Denver Water facilities from long term assignment locations (e.g., from a mountain location to Denver Water administration building).
- Travel expenses paid or incurred in connection with a temporary (less than 365 days) work assignment away from home are not taxable. However, travel expenses paid in connection with an indefinite work assignment are taxable and will be paid through payroll. Any work assignment in excess of one year is considered indefinite. Also, travel expenses paid that are related to a new work location are taxable if it is realistically expected that the Consultant will work at the new work location for more than one year, whether or not the Consultant actually works at the new work location for more than one year. If Denver Water realistically expects the Consultant to work at a temporary location for less than one year, and the expectation changes so that at some point Denver Water realistically expects the Consultant to work at such location for more than one year, travel expenses become taxable when the expectation changes, and a new work assignment location letter is issued to the employee.
- Costs associated with time shares and other privately owned venues are not commercial lodging establishments and will not be reimbursed.
- Lodging provided on Denver Water property will include rent, heat, and electricity, cleaning, cable TV, and internet service (when available).
