1. Go to www.Colorado.gov/RevenueOnline

3. Click on the **Sign Up** link beneath the red LOGIN oval on the right.

Now click on: **Enter Taxpayer Information**. Click on the down arrow in the Account Type list and select [IptrAccountType]. Use the first 8-digits of the account number shown on your license. Complete the rest of the screen.

1. Click on the **Login** button.

2. Enter the Authorization Code from your email (first time only).

3. Click Login. You should then be in your account. NOTE: If you have additional tax types registered under the same Account Number, such as withholding, you will be able to view those tax types through the account. You do not need to create separate Login IDs and Passwords for each tax in your account.

FILING RETURNS

You must file a return for each reporting period. If you have no tax to report, file a "zero" return. Tax reporting and payment are your responsibility. Filing online decreases your chances of error. If you cannot file online, blank tax forms may be obtained at www.TaxColorado.com under Tax Forms. To avoid late penalties and interest, paper returns must be POSTMARKED on or before the due date. If you discontinue sales, you may close your business location through Revenue Online.
